CO-OPERATIVE ACADEMY OF PROFESSIONAL EDUCATION (CAPE)
Established by Govt. of Kerala

www.capekerala.org
Chairman

The Co-operative Academy of Professional Education (CAPE) Kerala is the first among all institutions in Kerala producing the largest number of engineers and technocrats every year. It endeavors to provide education and training as consistently high stands through innovative and versatile programmes suitable for the current and emerging needs of the community. We have focused our attentions on engendering in our graduates the right balance of state-of-the-art professional skills and impeccable ethical standards.

It gives me immense pleasure to welcome recruiters to CAPE campuses for recruitments. I am certain that you will find amongst our graduates the right minds to meet your requirements. Our graduates will impress you with their competence and professionalism, and given the opportunity, I assure you, they will be an asset to your organization. Our students are equipped with the necessary skills that create successful technologists and global leaders who can steer the world in the direction of growth and development.

We look forward to a mutually enriching and successful relationship with you in the years ahead.

Shri. Pinarayi Vijayan
Hon'able Chief Minister of Kerala

Vice Chairman

The CAPE Kerala was formed to establish educational Institutions in various professional fields to provide facilities for education and training. The CAPE is promoted by the Co-operation Department of the Government of Kerala and is an autonomous society under Government of Kerala. Under CAPE there are nine (9) engineering colleges, one management institute and One finishing school apart from SAGARA hospital at Punnapra.

Excellence is the watchword in all our endeavors and our staff and students strive for attaining it through hard work, perseverance and dedication. All our institutes strive to produce engineering and management graduates of high quality who are team players, accountable, resourceful and above all, technically competent. The institutes under CAPE believe in strong industry-institute collaboration.

On behalf of CAPE Institutions, it is my pleasure to welcome you to our campuses spread over from south to north of Kerala. I am sure that you will find our students competent and dedicated professionals - true assets to your organization.

We look forward to a warm, beneficial and long-term association with you.

Shri. Kadakampally Surendran
Minister for Co-operation, Tourism and Devaswoms

Director

The CAPE Kerala was formed to establish educational Institutions in various professional fields to provide facilities for education and training. Professionally executed, all the Institutes are fully established with sprawling campuses of over 25 acres, well equipped labs and workshops, well stocked library, highly qualified and experienced faculty, Hostels for boys and girls, transport facilities and career guidance & placement cell.

Today, CAPE group of Institutions numbering 12 has more than 10,000 students and 800 teaching staff. We give utmost care to develop overall personality of the students. It is important to become good human being first and an excellent professional next. Apart from academics, other activities like sports, cultural, extracurricular and social are equally important to boost their confidence, improve communication skill, build team spirit, inculcate sportsmanship, leadership quality and decision making ability.

A new initiative has begun this year at the corporate level, of providing additional training to students not only in soft skills and aptitude but also in domain knowledge. I can confidently state that we have the right talents for you. I take pride in cordially inviting you to participate in our endeavor and look forward to welcoming you to the recruitment program.

Dr. R. Sasikumar
Director, CAPE
The **CAPE**

**Co-operative Academy of Professional Education**

The Co-operative Academy of Professional Education (Kerala) was formed to establish Educational Institutions in various professional fields to provide facilities for Education and Training. The Co-operative Academy of Professional Education is promoted by the Co-operation Department of the Government of Kerala and is an autonomous society under Government of Kerala. The Society is registered under the Travancore-Cochin Literary, Scientific and Charitable Societies Act, 1955 on the basis of the Memorandum of Association and the Rules as approved by the Government of Kerala.

The establishment of our first institution was in the year 1999. The first institution started was College of Engineering, Vadakara. Under CAPE there are 9 Engineering Colleges, One Management Institute and One Finishing School apart from a Hospital at Punnapra. The institutions are: College of Engineering, Vadakara, College of Engineering, Perumon, College of Engineering, Trikaripur, College of Engineering, Thalassery, College of Engineering, Kidangoor, College of Engineering & Management, Punnapra, College of Engineering, Pathanapuram, College of Engineering, Aranmula, College of Engineering, Muttathara, Institute of Management & Technology (IMT), Punnapra, Kerala Institute of Making the Best (KIMB), Punnapra and Sagara Hospital, Punnapra.

All the Engineering Colleges are fully established with sprawling campuses of over 25 acres, well equipped labs and workshop, well stocked library, highly qualified and experienced faculty, career guidance and placement cell and transport facilities.

The overwhelming public response to its educational mission has inspired CAPE to present to the community its business school, the Institute of Management and Technology (IMT) at Punnapra which is affiliated to Kerala University. The first batch of MBA students were admitted during the academic year 2009-2010. The CAPE finishing school, Kerala Institute of Making the Best (KIMB) also started at Punnapra which is going to be the best finishing school in kerala.

Excellence is the watchword in all our endeavors and our staff and students strive for attaining it through hard work, perseverance and dedication.

The day to day activities of the organisation is controlled and monitored by an executive committee consists of 7 members and chaired by Minister for Cooperation. The policy decisions are taken by board of governors and chaired by Hon’ble Chief Minister of Kerala.
Board of Governance

Shri. Pinarayi Vijayan, Chairman
The Chief Minister, Government of Kerala, Ex-officio

Shri. Kadakampally Surendran, Vice Chairman
Minister for Co-operation, Tourism and Devaswoms, Ex-officio

Members

- The Secretary, Co-operative Department, Government of Kerala, Ex-officio.
- The Registrar of Co-operative Societies, Government of Kerala, Ex-officio.
- The Managing Director, Kerala State Co-operative Bank Ltd., Trivandrum, Ex-officio.
- The Director of Technical Education, Government of Kerala, Ex-officio.
- The Director of Medical Education, Government of Kerala, Ex-officio.
- One Eminent expert in Technical Education (Non-official member), nominated by the State Government.
- One Eminent expert in Medical Education (Non-official member), nominated by the State Government.
- One Industrialist (Non-official member) in the region, to be nominated by the State Government.
- The President, Kerala State Co-operative Bank Ltd., Trivandrum, Ex-officio.
- Fourteen Presidents of the District Co-operative Banks in Kerala, Ex-officio.
- The Director of the Academy, Ex-officio. (Member-Secretary)
Our Specialities

→ 100% merit based admission
→ Government controlled self financing institution
→ Good academic performance with top ranks
→ Active Placement cells
→ Excellent staff student ratio
→ Excellent infrastructure
→ Qualified and experienced faculty and staff
→ Largest group in kerala produces maximum no. of engineering graduates
→ 50 Crores TEQIP II project assistantship from world bank/ MHRD
→ Hostels facilities for boys and girls
→ Transportation Facility
→ Wi-fi enabled campus
Institutions Under CAPE

COLLEGE OF ENGINEERING, VADAKARA (Estd. 1999)

College of Engineering Vadakara is a new generation Engineering College, and the first Engineering College under the CAPE, Thiruvananthapuram, the college is affiliated to Cochin University of Science and Technology (CUSAT) & Kerala Technological University (KTU) and is approved by All India Council for Technical Education (AICTE).

The CEV is located at Vadakara, a region lying in the northern part of Kozhikode district. The CEV owns a 26 acre campus at Kakkoramala in Kurunthodi, in the Maniyoor Panchayath of Vadakara.

Courses & Annual Intake

- B.Tech in Civil Engineering - 60
- B.Tech in Computer Science & Engineering - 60
- B.Tech in Electronics & Communication Engineering - 60
- B.Tech in Electronics & Instrumentation Engineering - 60
- B.Tech in Electrical & Electronics Engineering - 60
- B.Tech in Information Technology - 60
- Master of Computer Applications (MCA) - 60

College Highlights & Achievements

- Accredited with NAAC B+ Grading in 2017
- Bagged 2nd Rank in Civil Engineering & 8th Rank in E&I in April 2017- CUSAT Exam
- ISO 9001:2015 Certified Institution
- Fully Automated / Digital Central Library
- Hostel facilities for girls and boys
- Wi-Fi Campus with 116 Mbps High speed Internet Connectivity
- First rank in MCA 2015 CUSAT examination
- 2nd Position in Kozhikode & Malappuram districts as per KTU S1-2 Ranking
- Students chapters of various professional bodies like IEEE, ISTE, IEI and CSI
- Networking with NIT Calicut & IIM Kozhikode
- ICTAK Techathlon 2016-17 Runner up
COLLEGE OF ENGINEERING, PERUMON (Estd. 2000)

The College of Engineering Perumon was established on 25 acres of the land donated by the Govt. of Kerala on the banks of the Astamudi Lake, which is included in the tourism map of Kerala and an ideal place for the establishment of an Engineering College intended to acquire a deemed University status in due course. It is at Kuzhiyathu Junction along the Kollam - Perumon Road (via - Anchulmoodu) 13 kms away from Kollam Railway Station and 12 kms from Kollam bus Stand via NH 47. The nearest Railway Station is Perinad at 1 km distance. The College is about 90 kms from Thiruvananthapuram Airport (nearest airport).

Courses & Annual Intake

- B.Tech in Computer Science & Engineering - 60
- B.Tech in Electronics & Communication Engineering - 120
- B.Tech in Electrical & Electronics Engineering - 60
- B.Tech in Information Technology - 60
- B.Tech in Mechanical Engineering - 60
- M.Tech in Computer & Information Science - 18

College Highlights & Achievements

- Bagged 15 University Ranks in April 2017 CUSAT Exam
- MVR foundation special award 2017 for unique contributions and achievements in Engineering Education
- MoUs with companies
- ISO 9001:2015 Certified Institution
- Availability of ICT initiatives and smart class rooms
- RFID enabled Library with e-learning resources
- 100 mbps wifi enabled campus 24x7
- Active NSS, Alumni and PTA cell
- Professional membership with IEEE, ISTE, CSI
- Nodal centre for PMKVY ‘Ministry of skill development and entrepreneurship’
- Active Robotic club, EDC/TBI, TPC
- Mechanism to assist weaker students through remedial classes
- 5 university ranks for Mtech for the past continuous 3 years
- Approved college hostels for both girls and boys
- Good infrastructure and laboratories
- Achievements in sports and games at University level
College of Engineering Trikarpur is a fast growing Engineering college in north Kerala. It offers undergraduate courses, leading to the award of B.Tech degree of the Cochin University of Science And Technology and APJ Abdul Kalam Technological University.

The institution provides an environment conducive to technical education thereby bringing out the innate talents and professionalism in each of the students. A sense of social commitment and traditional value is imbibed in the budding professionals so that they can cater to the societal needs.

Courses & Annual Intake

- B.Tech in Civil Engineering - 60
- B.Tech in Computer Science & Engineering - 60
- B.Tech in Electronics & Communication Engineering - 60
- B.Tech in Electrical & Electronics Engineering - 60
- B.Tech in Information Technology - 30

College Highlights & Achievements

- Accredited with NAAC B+ Grading in 2017
- Excellent Placement Record
- Bagged 3 University Ranks in April 2017 CUSAT Exam
- 3 CUSAT University Ranks in last two years
- ISO 9001:2015 Certified Institution
- All faculty members are well trained from reputed institutions like IIT, IIM, etc
- MoU with Infosys and ICT Academy of Kerala
- Develop research ambience by conducting colloquium in different area of various disciplines
- All the department conduct Inter National/National conference every Year
COLLEGE OF ENGINEERING, THALASSERY (Estd.2000)

College of Engineering, Thalassery is affiliated to APJ Abdul Kalam Technological University (KTU) and Cochin University of Science and Technology (CUSAT) and approved by the AICTE. The college offers B.Tech courses in the following six Engineering streams and two M.Tech courses under ECE and ME department.

Courses & Annual Intake

| B.Tech in Civil Engineering         | 60 |
| B.Tech in Computer Science & Engineering | 60 |
| B.Tech in Electronics & Communication Engineering | 120 |
| B.Tech in Electrical & Electronics Engineering | 60 |
| B.Tech in Information Technology   | 60 |
| B.Tech in Mechanical Engineering  | 60 |
| M.Tech in Manufacturing Systems Management (Mechanical Engineering) | 24 |
| M.Tech in Signal Processing        | 24 |

College Highlights & Achievements

- Bagged 7 University Ranks in April 2017 CUSAT Exam
- ISO 9001:2015 Certified Institution
- Placed in top 25 list of institutions ranked by KTU
- Rank holders in CUSAT consistently
- Fully fledged online testing centre with 400 computers networked and with power backup
- Wi-Fi campus and 100Mbps internet facility
- Fully automated digital library with sufficient journals and publications
- Awarded Best Value Partner by ICT Academy
- Approved PhD centre
- Efficient placement unit and excellent track record
- Active R&D, ED Cell
- Skill Development by Continuing Education Cell
- Achievements in sports and games at University level
College of Engineering, Kidangoor (CEK), Kottayam is one among the premier institutions in the state. Now the institution is glistening with outstanding records in both academic and extracurricular fields backed by excellent faculty and full-fledged facilities. The College is affiliated to Cochin University of Science and Technology (CUSAT) and APJ Abdul Kalam Technological University and approved by All India Council for Technical Education (AICTE).

Courses & Annual Intake

B.Tech in Civil Engineering - 60
B.Tech in Computer Science & Engineering - 60
B.Tech in Electronics & Communication Engineering - 60
B.Tech in Electronics & Instrumentation Engineering - 60
B.Tech in Electrical & Electronics Engineering - 60
B.Tech in Information Technology - 45
M.Tech in Computer & Information Science - 18
M.Tech in Wireless Technology - 18

College Highlights & Achievements

» Bagged 6 University Ranks in April 2017 CUSAT Exam
» Over 16 university ranks since the inception of college in 2000
» MoUs with industry
» Publication of papers in journals and international conferences by students and faculty members
» High speed internet & Wi-fi connectivity in the entire campus
» Fully automated library with OPAC facility
» Knowledge updation by faculty members by attending continuing education programmes at IITs, NITs and other premium institutions in the country
» Conduct of industry institute interactive sessions for the students
» Conduct of training programmes under Finishing school
» Active student associations which organises co-curricular and extra-curricular activities
The College of Engineering & Management Punnapra, Alappuzha started during the year 2008-2009 under CAPE, Kerala. The College is affiliated to A P J Abdul Kalam Technological University & Kerala University and is approved by All India Council For Technical Education (AICTE). The College is situated near to Punnapra in Alappuzha district of Kerala State, 5 km from Alappuzha town which is commonly known as East of Venice gifted with backwaters, paddy fields and scenic beauty. The college is about 1.5 km from National Highway (NH 47) and the nearest railway station is Alappuzha which is only 3.5 km away. The nearest airport is Kochi (Nedumbassery) is about 64 km to the north.

**College Highlights & Achievements**

- First rank in Civil Engineering in University of Kerala in 2015
- 3 successful startup companies by students
- Faculty-Student teams engaged in techno-social initiatives
- Laurels in statewide student project competitions like Manorama Yuva Mastermind
- Student projects funded by CERD
- Excellent infrastructure and teaching-learning resources
- College's own hostel facility with spare accommodation capacity inside the campus
- Appointed as technical consultant for PMAY (Pradhan Mantri Awas Yojana - Grameen) for Ambalapuzha block
- Co-ordinated & Venued the Mega Job Fair Disha 2017 by Associating with Dist. Employability Centre, Alpy in March & November 2017 with Over 50 companies and 4500+ participants
- Co-ordinated & Venued the Centralized placement initiative CAPE Job Fair 2017
- IEDC (Innovation and Entrepreneurship Development Centre) funded by KSUM as a student innovation facilitator
College of Engineering Pathanapuram started during the academic year 2011 which is affiliated to CUSAT and A P J Abdul Kalam Technological University and is approved by All India Council For Technical Education(AICTE). The College is located at Elkkattoor, near Piravanthooor on the side of Punalur-Muvattupuzha road (SH-8, between Punalur and Pathanapuram) which is 7 kms from Punalur and 8 kms from Pathanapuram.

Courses & Annual Intake

College Highlights & Achievements

> Bagged 9th University Rank in Civil Engineering for April 2017 CUSAT Exam
> Ranked as 23rd among 152 engineering Colleges in Kerala
> 34 student projects funded by CERD and 12 student projects funded by KSCSTE from 2014 onwards
> Student project selected for funding by Malayala Manorama-Yuva Master Mind
> OHALLA INNOVATIVES, start-up incubated and IoT lab under IEDC
> Tie-up with Enterpreneurship Cells at IIT Kanpur & IIT Bombay
> Among best 100 local chapters of NPTEL, in India,(Grade-A)
> Approved Training Skill Provider of Additional Skill Aquisition Programme (ASAP)
> Approved training centre of Pradhan Mantri Kaushal Vikas Yojana (PMKVY)
> Virtual Lab facility provided by MHRD, Govt. of India
> Institutional membership of ISTE, CSI,IEEE and IETE
> Best student software project award 2016 by CSI Trivandrum Chapter
> Third party Technical expert for Life Mission implementation of Govt. Of Kerala.
College of Engineering Aranmula is the 8th Engineering college started in 2014. It is affiliated to CUSAT and A P J Abdul Kalam Technological University and is approved by All India Council For Technical Education (AICTE). Admission is made as per the rank obtained by eligible candidates in the state-level Common Entrance Exam conducted by the Commissioner of Entrance Examination (CEE).

**College Highlights & Achievements**

- IEDC (Innovation and Entrepreneurship Development Cell) Bootcamp funded by the Kerala Startup Mission (KSUM) as a student innovation facilitator
- Student chapters of Professional bodies like CSI (Computer Society of India)
- FOSS Cell in association with ICFOSS (International Centre for Free and Open Source Software).
- IEDC Mentors trained by EDIIA (Entrepreneurship Development Institute of India, Ahmedabad), ICFOSS, Scholars from MIT, IIT Delhi and IIT Mandy
- Student team won first prize in state level innovation competition “Start-Up i3” by Kerala Start-Up Mission and the idea lead to a startup company
- Innovative student projects funded by FabLab Kerala and KSUM
- 3 Boot camp registered student Start-ups at various stages of incubation.
- Add-on programs and workshops to improve student skill on emerging technologies like IoT, Android, AI etc
COLLEGE OF ENGINEERING, MUTTATHARA (Estd.2016)

The College of Engineering Muttathara is the ninth Engineering College under the Co-operative Academy of Professional Education (CAPE). The College is located at Muttathara (Near St. Sebastian Church, Vallakadavu) of Thiruvananthapuram district. Thiruvananthapuram formerly known as Trivandrum, is the capital city of the Indian State of Kerala. It is the largest and the most populous city corporation in Kerala and the fifth largest urban agglomeration in Kerala. The College is about 4 K.m from Trivandrum Central Railway Station and very near to Thiruvananthapuram International Airport.

College Highlights & Achievements

→ Highly qualified and experienced teaching faculty and non teaching staff
→ Publication of papers in journals and international conferences by faculty members
→ Active student associations at department level
The institute is a dream project of CAPE's leadership and the vision is to establish a management institute of excellence with the objective of creating world class managers. The Institute of Management and Technology (IMT) offers a two year, full-time MBA programme. The institute is affiliated to Kerala University and has obtained AICTE approval for the MBA programme.

Courses & Annual Intake

MBA - 60

College Highlights & Achievements

- National and International study tours
- Consistent and one of the best pass percentage in the Kerala University Examinations
- Emphasis on soft skills training
- 100% placement assistance
- Intensive corporate interactions
- Highly qualified, experienced core faculty and distinguished visiting faculty from premier institutions and industry
- State of the art facilities for video conference, English language lab & Digital library (National and International journals)
- Training and Consultancy division
- Industry – Institute interaction programmes
- Wi-Fi campus
- The Institute having excellent infrastructure – air conditioned class rooms, library, computer labs and seminar halls

Placement Cell

A Training and Placement Cell (TPC) functions in each college under the super vision of a faculty member to provide career guidance and placement opportunities. Training has been given to students for attending various examinations conducted by recruitment agencies and for campus recruitment. TPC invites reputed companies to the college and organizes campus placements.
