Honorarium to BOCs members was given after deducting 10% TDS. But the amount after deducting the TDS has indicated in the expenditure statement (10800/- instead of 12000/-). Hence an amount of Rs. 1200/- lies in the books of account of TERIP.

The Board asked the Principal to contact a TAX consultant regarding this issue.

Immediate action will be taken to remit an amount of Rs. 1200/- as TDS from TERIP II account.

3. On 04.05.2013 an amount of Rs. 31,050/- incurred as expenditure in relation to Performance audit. As per the information received from SPEU performance audit expenditures are reimbursed by SPEU. So it is not an allowable expenditure for the Institution.

As per the direction of Dr. Gopakumar, SPEU, hospitality for the performance auditor should be met from TERIP-II account. TA and honorarium for the same has been met by SPEU Kerala. Hence an amount of Rs. 31,050/- has been incurred as expenditure in relation to the visit of the performance auditor on 04-05-2014.

Dr. Gopakumar, the Director of SPEU asked to send all the bills related to the performance auditor to SPEU so that the same will be reimbursed from SPEU.

--	------------------------------	---	--

	During the year the college incurred Rs.		
6	16,964/- as expense in connection with mentor's visit (accounted on 12-04-2013). This includes Honorarium of Rs. 12,000/- for 2 days. As per G.O.(RT) No.1355/08/H.Edn. Maximum permissible Honorarium is Rs. 3,000/- per day. Here Rs. 6,000/- paid in excess of the amount prescribed, which seems to be non permissible.	As per the direction and order from SPEU, honorarium given for mentor's visit should be for four days instead of two days. Because of this an amount of Rs. 12,000/- was paid as honorarium for the mentor.	The Board agreed to the decision taken by the management.

B	SALARY		
1	As per section 194J of the Income Tax Act 1961 "Every person who is responsible paying to a resident any sum by way of fees for professional services in excess of Rs. 30,000/- shall deduct Tax @ 10% from such payment."	Appointment of MIS officer is on contract basis for a monthly remuneration of Rs. 25,000/- and her service is not considered to be a professional service. Hence there is no need to deduct 10% TDS from the salary of MIS officers.	The Board agreed to the decision taken by the management.

During the year the college paid Rs. 1,77,123/- as Professional charges to M.I.S. Officers but was not deducted for it.

IV GENERAL

1. Establishment of four funds
The college has deposited the EMD in the Corpus fund instead of depositing the same in TEQIP-II main account. It has also withdrawn an EMD of Rs. 60,000/- from the corpus fund since the same has to be given to the supplier after their period.
The Board agreed to the decision taken by the management.
- i. Creation and establishment of Four Funds is a Project requirement that is to be complied with by all institutions.
As per the direction of the departmental auditors, the Project period of Rs. 4,38,654/- & EMD of Rs. 3,15,750/- for the period of 2013-14 has been transferred to TEQIP-II main account from the corpus account.
- ii. These Funds should not be used during the Project period.
As funds for various activities are available under the Project.
- iii. Each project institution is to build these Funds with annual contribution into each Fund equal to at least 0.5% (total 2%) of annual total recurring

expenditure of the institution.

During the course of audit it was noticed that the institution opened "four funds" but not contributed the above mentioned sum. During the year the college deposited Security deposit of Rs. 4,58,654/- & EMD of Rs. 3,15,750/- into that account (Corpus Fund account) and withdrawn Rs. 60,000/- from it as Repayment of EMD. These are violations from the TERIP Rules. Since withdrawals are not permitted from these accounts, Security deposit, EMD etc. should not be deposited under this account.
